

Financing for Togo's Collapsible Container Scalability Project

Overview

The Board of Directors of the African Development Bank Group (www.afdb.org) has approved a EUR 200 million partial credit guarantee (PCG) to support Togo's inaugural sustainable financing to implement green and social projects.

WASHINGTON, May 23, 2024 - The World Bank Group (WBG) today endorsed a new Country Partnership Framework (CPF) for Togo, granted a special waiver for the country's access to the Prevention and Resilience Window, and approved three new loans from the International Development Association (IDA*) for. This summary covers an application by Société Générale of France ("SG") for up to EUR 150 million in guarantee coverage for a short-term loan facility, focused on supporting trade, to the Government of Republic of Togo ("GoT") through the Ministry of Economy and Finance, for a tenor of up to one. The objective of the project is to support safe climate resilient connectivity to regions with high agricultural potential in Togo, enhance logistics systems efficiency and safe urban mobility in Greater Lomé. The Partial Credit Guarantee for Mobilisation of Sustainable Financing. The African Development Bank Group has conducted a comprehensive performance review of its 2025 portfolio in Togo, bringing together government officials, project managers and beneficiaries to assess the progress of ongoing initiatives and identify ways to further enhance performance. The review. Togo's large development needs call for substantial investment in public infrastructure and improved service delivery from public utilities such as electricity and water providers.
