

Longi Photovoltaic Support Company

Overview

From rooftops to carports and factory halls, LONGi delivers scalable solar solutions tailored for commercial and industrial needs. At the key node of intergenerational transition of global Photovoltaic (PV) technology, the back contact (BC) cell technology is leading the new-generation PV technology paradigm revolution, becoming the core engine to drive industry cost reduction and efficiency improvement and realize energy. Discover the most trusted solar technology for residential, commercial, and utility-scale installations. Zhong Baoshen, chairman of LONGi, said the company is projected to. LONGi Solar is one of the world's largest solar technology companies. It is a subsidiary of LONGi Green Energy Technology (LONGi), which was founded in 2000. LONGi has 30+ locations and 30 manufacturing sites globally. LONGi Europe is headquartered in Frankfurt am Main, Germany.

LONGi Green Energy Technology Co Ltd

LONGi Green Energy Technology Co Ltd (601012:SHH) company profile with history, revenue, mergers & acquisitions, peer analysis, institutional shareholders and more.

Latest PV News, Insights & Industry Trends | pv

Stay updated on solar energy, photovoltaics, and clean power innovations worldwide. Expert news, market insights, and technology updates.

The World's Leading Supplier of Solar PV Solutions-LONGi

LONGi is a world leader in the clean energy transition. We provide a comprehensive suite of solar PV solutions that can optimize a wide range of project applications.

ENF List of Solar Companies and Products

ENF Solar is the top source of photovoltaic information connecting solar suppliers and customers. We list all photovoltaic manufacturing companies, products and installers in the world - including solar

LONGi Solar Careers

LONGi Solar based in Ireland. LONGi Solar is a solar technology company that develops and supplies photovoltaic products and solutions. It. 1 open job hiring

Longi solar panels

Established in 2000 and headquartered in Xi'an, China, Longi has become one of the most valuable solar companies worldwide. Through its

LONGi Solar-JA TECH CO LTD

LONGi Solar is a Tier 1 manufacturer of solar panels renowned for its monocrystalline technologies and the latest innovations. LONGi was incorporated in 2000 and has focused exclusively on

LONGi Solar: Powering Every Scale

Trusted solar technology for residential, commercial, and utility-scale projects. Discover reliable performance and expert support. See our solutions.

LONGi publishes the company's first Human Rights Policy at 2024 ...

LONGi always respects and supports human rights in all its value-creating business activities. Guided by the core values of "Reliability, Value-add, and Fulfillment", LONGi spares no

LONGi Solar Panels: Complete 2025 Review & Buyer's Guide

Comprehensive LONGi solar panels review covering efficiency, pricing, warranty, and performance. Compare models, get expert insights, and find the best deals for 2025.

LONGi Technology Co. Ltd.

Founded in 2000, LONGi Co., Ltd. is a high-tech enterprise focusing on the research and development, manufacturing and sales of solar photovoltaic panels. The company is committed to providing

The World's Leading Supplier of Solar PV Solutions

LONGi's technological and manufacturing leadership in solar wafers, cells and modules underscores our commitment to helping accelerate the clean energy transition. By offering high-quality, reliable

LONGi Solar

Founded in 2000, LONGi Green Energy Technology Co., Ltd. (LONGi, Stock Code: 601012.SH) is committed to becoming the most compelling solar technology

Photovoltaic Market Size, Share Report and Trends 2035 | MRFR

Photovoltaic Market Size is projected to reach USD 267.2 Billion at a CAGR of 9.0% by 2035, Global PV Market Growth by Type, Component, Application and Region | Photovoltaic Industry.

Top 10 Global Photovoltaic Module Manufacturers in 2025

The company continues to enhance its local service and delivery capabilities to improve customer response and project support. With strong R& D,

LONGi Solar: Zuverlässige Photovoltaik für Ihr Zuhause

Sparen Sie bei Ihren Stromkosten mit LONGi EcoLife Solarmodulen. Zuverlässige Leistung, langlebige Technologie und eine attraktive Optik für Ihr Dach.

LONGi Green Energy Technology Co Ltd

About the company LONGi Green Energy Technology Co Ltd is a China-based company mainly engaged in the production of photovoltaic products. The Company operates through three

China's solar majors charge into batteries as panel sales falter

China's major solar panel manufacturers are ramping up higher-margin battery exports to boost revenue as growth in photovoltaic (PV) sales slows, betting on rising global demand for

Longi Green Energy Technology Co. Ltd. (via Public) / 34.6%! Record ...

As pioneers in setting world records for photovoltaic cell efficiency, LONGi continued innovation and outstanding performance have not only contributed significantly to global solar power

10 Top Solar Panel Manufacturers (Who Dominates in

The largest solar panel manufacturers in 2026 are JinkoSolar, LONGi Green Energy, Trina Solar, JA Solar, and Canadian Solar. These five shipped

Solar panel

Greencap Energy solar array mounted on brewery in Worthing, England Solar array mounted on a rooftop A solar panel is a device that converts sunlight into

LONGi Solar Europe

LONGi Solar is one of the world's largest solar technology companies. It is a subsidiary of LONGi Green Energy Technology (LONGi), which was founded in

LONGi Achieves Two New Global Solar Cell Efficiency

At SNEC 2025, LONGi declared to the global community that Chinese photovoltaic enterprises are reshaping the industry landscape with their

LONGi Green Energy aims to double sales

Major Chinese solar power company LONGi Green Energy Technology Co Ltd aims to double its sales of photovoltaic modules and largely expand those of silicon wafers this year to tap
